

Heavy duty wirewound potentiometers

Series 60 W Type 60 W Ordering code no.: 31 212 Basic design: high load, nominal width 53 mm, solder tag terminals

*higher values on request

General Note This datasheet does not give any information on product availability. The information given is just meant to describe the product and is not to be considered as guaranteed characteristics in the legal sense. All products are subject to design changes in the interest of further technical development.
