

# Plastic Tip Tweezers

The largest and the most precise plastic tweezers range all over the world. 20 years of experience in high engineering plastic materials. Choose the right tweezers with the right material for your success in your application. Technical data are available on page 42 or on [www.ideal-tek.com](http://www.ideal-tek.com) for more information and chemical data-charts. For A, B, C dimensions refer to scheme on page 31.

## Plastic Replaceable Tip Tweezers

The largest and the most precise plastic tweezers range all over the world. 20 years of experience in high engineering plastic materials. Choose the right tweezers with the right material for your success in your application. Technical data are available on page 42 or on [www.ideal-tek.com](http://www.ideal-tek.com) for more information and chemical data charts. Replaceable kits come with 2 tips and 3 screws. The easiest and most precise replacement system available into the tweezers market.
