

KNIPEX Quality - Made in Germany

KNIPEX Crimp Assortments in TANOS MINI-systainers

- sturdy construction
- secure transport
- stackable

New KNIPEX Crimp Assortments, in TANOS MINI-systainers

97 90 21

97 90 22

97 90 23

97 90 24

► In a TANOS MINI-systainer® (solid plastic box)

► two stackable plastic inserts with 6 trays each for connectors

Contents of the new assortments

97 Crimping Pliers "PreciForce"

97 52 36

97 52 38

97 52 30

97 52 33

97 52 34

97 52 35

97 52 50

- ▶ for solder-free electrical connections
- ▶ repetitive, high crimping quality due to precision dies and integral lock (self-releasing mechanism)
- ▶ these tools have been set precisely (calibrated) in the factory
- ▶ high transmission of force thanks to lever action for fatigue-reduced working
- ▶ good handling thanks to favourable handle position, low weight, short design and ergonomically shaped handles
- ▶ all stressed parts are made of special steel, oil-hardened and tempered
- ▶ head burnished, two-colour dual component handles

KNIPEX special

The new Crimping Pliers provide a very good handling and amazingly high leverage despite the compact size. Particularly favourable for larger cross sections.

several boxes can be connected with each other

| Article-No. | EAN-Code | Range of Application | Capacity | | Length | | g |
|-------------|----------|---|-----------------|-------|--------|-----|---|
| | | | mm ² | AWG | mm | g | |

12 "Multistrip 10", Self-Adapting Universal Insulation Stripper

patented

12 42 195

Wire cutter for multiple stranded wire cables up to 10.00 mm²

- ▶ fully automated adjustment to the respective cross-section-dependent insulation thicknesses in a range from 0.03 – 10.0 mm²
- ▶ the so far common fine adjustment of the tool is no longer necessary due to the unique self-feeding of the cutting depth preventing damage to the conductor
- ▶ the steel-made restrain jaws with integrated cutting edges very often also allow professional stripping of cables with demanding insulating materials like PTFE and Radox®
- ▶ with wire cutter for copper and aluminium wires, multiple stranded up to 10 mm² and single stranded up to 6 mm²
- ▶ smoothly operating mechanism
- ▶ easily interchangeable screw-on style blades, length stop and restrain jaws with cutting edges

KNIPEX special

The cutting edges at the steel clamping jaws (1) firmly restrain the insulated cable and avoid skidding. The stripping blades (2) cut to the correct depth and remove the insulation cleanly without any manual adjustment.

| Article-No. | EAN-Code | Stripping capacities | | |
|-------------|----------|----------------------|---------------------|------|
| | | Length mm | mm ² | AWG |
| 12 42 195 | 054580 | 0.03-10.0 | | 32-7 |
| 12 49 21 | 057581 | | spare blades | |
| 12 49 22 | 057598 | | spare clamping jaws | |
| 12 49 23 | 057604 | | spare length stop | |

Steel restrain jaws with cutting edges avoid skidding of the cable

Precise stripping from 0.03 up to 10.0 mm²

Opens automatically once the stripping operation is completed

- ▶ body made of tough fibreglass reinforced plastic
- ▶ ergonomic soft compound zone in the handle area for a secure grip
