

Datasheet

Product – LKM Cable Tie Mounts

Order Code – LKM

Colour – Black & Natural

Features & Benefits

With these screwfix mounts it is possible to install the cable sideways. The LKM mounts are ideal for securing large, heavier, bundles and will accept cable ties up to 8mm wide.

Application

In areas with limited space these mounting bases allow the cable to be offset from the fixing hole, and can be installed in the equipment prior to the cable installation. A major cost saving can be made by using these products as many different sizes of standard cable ties can be used, reducing the need to stock a wide range of specific fixing ties.

Material Data

Material	Polyamide 6.6 (PA66)
Colour	Natural (NA), Black (BK)
Operating Temp.	-40°C to +85°C Continuous (+105°C for 500 h)
Flammability	UL94 V2
Ø	

Part No.	Product reference	Length (L)	Width (W)	Height (H)	Height H2)	Fixing Hole Ø (FH)	Strap Width max (G)
