|--|---|---------------------------|
| <b>product description:</b>                    |   | order number: 930 136-101 |
| <b>description:</b>                            | Pole terminal with claw edge, captive insulated head and insulated ring. 6 mm diameter nickel-plated brass threaded bolt with 2.6 mm diameter transverse hole. For insulated non-rotating installation in equipment chassis and switch panels up to 3.5 mm wall |                           |
| <b>typ:</b>                                    | PKNI 10 B rot / red   |                           |
| <b>system:</b>                                 | 4mm system  |                           |
| <b>order number:</b>                           | 930 136-101   |                           |
| <b>color</b>                                   |   |                           |
| <b>other color versions:</b>                   |   |                           |
| <b>technical data</b>                          |   |                           |
| <b>measurement category acc. to IEC 61010:</b> | CAT I   |                           |
| <b>type of contact:</b>                        | 4 mm socket (unsprung), 2.6 mm cross hole   |                           |
| <b>type of termination:</b>                    | M6 thread, solder   |                           |
| <b>rated voltage:</b>                          | 30 VAC / 60 VDC   |                           |
| <b>rated current:</b>                          | 63 A  |                           |
| <b>contact resistance:</b>                     | 2 mOhm  |                           |
| <b>mounting:</b>                               | screw   |                           |
| <b>material</b>                                |   |                           |
| <b>contact material:</b>                       | brass   |                           |
| <b>contact surface material:</b>               | nickel  |                           |
| <b>housing material:</b>                       | PA  |                           |
| <b>environmental conditions:</b>               |   |                           |
| <b>temperature range:</b>                      | -25 °C to +100 °C   |                           |
| <b>flammable class:</b>                        |   |                           |
| <b>housing (basic material):</b>               | UL 94 V - 2   |                           |
