Visible Storage Cabinets

The design combines the use of a strong, dark grey (RAL 7021) polypropylene frame and galvanised steel shelves in such a way that small drawers of crystal clear polystyrene sit securely within the framework. Self adhesive labels are provided for each drawer. Designed with drawer handles recessed within the frame for additional protection during transport. Fourteen different alternatives, in two cabinet sizes, 550 and 290 mm high.

Series 290: 7 different small part cabinets 290 mm high. The cabinets can be wall hung or mounted on a bench top turntable or stood on the worktop.

Series 550: 7 different small part cabinets 550 mm high. The cabinets can be wall hung or mounted on space-saving turntables, stands and trolley or stood on the worktop.
