WATERPROOF CONNECTORS

IP Rated Wire-to-Wire, Wire-to-Board

Connect with Us...Experience Makes the Difference

EDAC's waterproof Wire to Wire and Wire to Board series were designed for both extreme moisture and non-submersion applications supporting both low-level signal and power applications up to 12A and 300V.

Major applications include automotive, commercial and recreational vehicles, outdoor lighting, appliances, marine & aftermarket products, solar power installations, industrial equipment, process control, construction equipment, outdoor broadcast systems and portable devices.

EDAC's waterproof series come in pitch sizes ranging from 2.0mm to 5.9mm and feature silicone rubber gaskets either pre-installed in all-in-one plugs and receptacle housings or loose and available in a range of sizes to accommodate wire from 28AWG to 14AWG with either thin or standard wire insulation. Operating temperature range across the whole series of -40°C to +105°C.

Some of the unique features of EDAC's waterproof series include integral locking and double locking tabs designed to prevent accidental disengagements, keying system to prevent mismatching, circuit sizes from 1 to 9 positions and visual confirmation of proper sealing.

Application tooling available includes hand tools for prototype and small builds to fully automated presses and applicators for high production applications. EDAC also offers the whole series in custom cables already fully assembled.

QUICK REFERENCE GUIDE

Series	Type	Current Rating	Pitch	Pages
560	Wire to Wire	3A	2.5mm	2-3
560	Wire to Board	3A	2.5mm	2-3
566	Wire to Wire	2A	2.0mm	4-5
566	Wire to Board	2A	2.0mm	4-5
567	Wire to Wire	8A	5.9mm	6-7
568	Wire to Wire	12A	n.a.	8
572	Wire to Wire	10A	5.8mm	9-10
572	Wire to Wire	10A	5.8mm	9-10
Assembly Instructions	Assembly instructions for 560 and 572 Series			11-12

HOW TO USE THIS PRODUCT GUIDE

- Using the quick reference guide above, select the type of solution you need and proper current rating for your application and refer to the section of the product guide with the series you have selected.
- Select the part with the appropriate number of contacts required for your application and the mating connector if required. (Quantities shown are standard pack quantities)
- If applicable, using the Wire Seal Selection Guide in the series section, select the seal required for the wire gauge to be used in the application.
- Contacts are supplied on the reel & bulk. See specific series section for more information on the available standard quantities.

Custom assemblies are available in all series directly from EDAC, manufactured to your specifications. Contact EDAC or your local representative for more information.

- 2.5mm Pitch, Rated Current: 3A max
- Fully Waterproof with Double Latch Solution
- Available in Wire-to-Wire and Wire-to-Board Options
- Seals Preassembled into Housing; No External Sealing Required available in 2, 3, or 5 Positions
- True Crimp and Poke Solution
- Waterproofing Cap available to cover holes of wire seal
- Internal Polarization to Prevent Mismatching
- Available with wire already installed
- Waterproof Grade IP67 Certified

Specifications:

No. of Positions	2, 3, 5P
Pitch	2.5mm
Rated Voltage	250V
Rated Current	3A max
Withstanding Voltage	1000V AC (rms)
Contact Resistance	15 mΩ max
Insulation Resistance	1000 MΩ min./DC500V
Temperature Range	-40°C to +105°C
PCB Thickness	1.6mm

Materials:

Fig.1: Showing female contact back side

Fig.2: Showing male contact back side

STEP 2:

- Ensure that the back side of the contact is aligned to the open slot of the pre-assembled housing before inserting
- Insert the contact + wire assembly into the housing until a "click" sound is heard.
- Illustrations are shown on:

Fig.3: Female Housing

Fig.4: Male Housing

STEP 1:

- Prepare the cable wire of stripped length of 2.0mm
- Crimp the contact to the cable wire as shown in Fig.1 for the female contact and in Fig.2 for the male contact

Fig.3: Female Housing
Pre-assembled with wire seal

Fig.4: Male Housing
Pre-assembled with wire seal

Fig.5: Female Connector Assembly

Fig.6: Male Connector Assembly

STEP 3:

- After the wires are inserted, press the rear insulator to finish the connector assembly
- NOTE: The 2 ribs of the rear insulator should be within the window opening of the housing

- Illustrations are shown on:

Fig.5: Female Connector Assembly

Fig.6: Male Connector Assembly

STEP 1:

- Prepare the cable wire of stripped length of 5.0mm
- Ensure that the wire seal's shoulder is properly placed on the contact, as shown in Fig.7
- This is applicable to both Female and Male contacts

STEP 2:

- Crimp the contacts to cable + wire seal as shown on:
 Fig.8: Male Contact Assembly
 Fig.9: Female Contact Assembly

STEP 3:

- In a position as shown in:
 Fig.10: Male contact assembly's crimp side is aligned opposite the wider side of the male housing
 Fig.11: Female contact assembly's crimp side is aligned opposite the lower latch of the female housing
- Insert the contact + wire assembly into the housing until a "click" sound is heard

STEP 4:

- Press in the wire seal to finish the assembly, as shown in:
 Fig.12: Male Connector Assembly
 Fig.13: Female Connector Assembly

TOOLS

Hand Crimp Tool, Ejection Tool, Auto-Crimp Tool

AUTOMATIC CONTACT CRIMP MACHINE TOOL

- Part Number 516-280-700 for base machine
- Applicators available to crimp all 560, 566, 567, 568 and 572 series contacts
- All required guards for operator safety
- Easy access for all setting changes
- Foot switch to initiate crimp cycle
- Mounts to any bench surface
- Quick change applicators allow for fast conversions from one contact type to another
- Requires 110V 50/60Hz electrical supply

CONTACT HAND CRIMP TOOL

- Part Number: 565-280-210
- Hand crimp tool for 560, 567, 568 and 572 series contacts
- Manual hand crimp tool
- Uses contacts on carrier strip, crimps them and cuts the contacts from the carrier
- For 566 series, use crimper 566-280-200

CONTACT EJECTION TOOL

- Part Number: 570-280-300
- Ejection tool for 567, 568 and 572 series contacts

- Part Number: 565-280-301
- Ejection tool for 560 series contacts
