BIVALVE IN POLIPROPILENE

Pratico e robusto contenitore in polipropilene stampato ad iniezione, dotato di asola per esposizione su display e di notevole trasparenza. Tutti i modelli siglati D e F possono essere prodotti, su ordinazione anche senza asola.

RIGID POLYPROPYLENE BLISTER PACK

Handy, strong injection-moulded polypropylene container, with slot for use on display and featuring excellent transparency. All models with codes D and F can also be produced without slot on request.
