

SKINDICHT® RWV SKINDICHT® RWV-M

Compact angle gland
with PG or metric connection thread

SKINDICHT® RWV 90° elbow

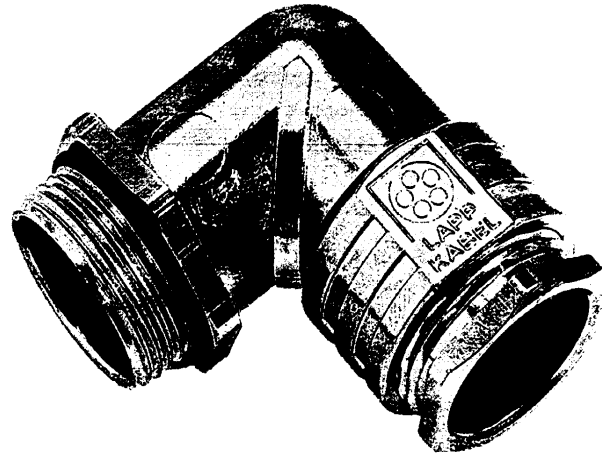

The locknut enables the angle gland to be secured in any position. The material is sea-water resistant, resistant to tropical conditions and to corrosion, when used in combination with grey cast iron or steel. The protection class depends on the special gland with which it is combined, but in the standard design is at least IP 55.

SKINDICHT® RWV without incised seal and compression screw

We also have SKINDICHT® RWV with O-ring and locknut.

Suitable accessories for metric thread see page 484.

Suitable accessories for PG thread see page 494.

Technical Data

 Material:
Body: Die cast zinc
Compression screw and hexagonal nut:
Neopren
O-ring: Perbunan

 Protection class: IP 55

 Temperature range:
-20 °C to +80 °C
without incised seal
-20 °C to +100 °C

 Combination with other
cable glands possible

 Available also with metric
connection thread
