

Snipe nose pliers, 2430G ergo®

Snipe nose plier with slim, semi-circular shaped and serrated jaws. Accurately machined jaws provide a sure grip on the workpiece. Equipped with return spring with on/off function. Tips give good grip and improved accessibility in confined spaces. Sharp edges for cutting softer material such as copper and plastic insulated wire.

ISO: 5745, DIN: 5745

Finish: Black oxidised, anti-corrosion treated.

Material: Chrome-Vanadium. With Ergo handles in two-material combination. Thermoplastic surface on tough polypropylene which gives a superior grip.

Cutting capacity: Hard steel wire.

IP = Industrial pack
