

Clamps
Pro-Clamps

01-0703

01-0716

A new design to meet modern clamping requirements. Available in three ranges with throat depths of 80/110 and 140mm. New handles need 30% less effort to apply the same load and built in passive lock eliminates unwanted jaw movement as well as giving easy positioning around the work piece. New I beam section bars give added strength in use. Pro clamp 'L' have T-bar handles.
