Important Notice: This data sheet and its contents (the "Information") belong to the members of the
Premier Farnell group of companies (the "Group") or are licensed to it. No licence is granted for the use of
it other than for information purposes in connection with the products to which it relates. No licence of any
intellectual property rights is granted. The Information is subject to change without notice and replaces all
data sheets previously supplied. The Information supplied is believed to be accurate but the Group assumes
no responsibility for its accuracy or completeness, any error in or omission from it or for any use made of it.
Users of this data sheet should check for themselves the Information and the suitability of the products for
their purpose and not make any assumptions based on information included or omitted. Liability for loss or
damage resulting from any reliance on the Information or use of it (including liability resulting from negligence
or where the Group was aware of the possibility of such loss or damage arising) is excluded. This will not
operate to limit or restrict the Group's liability for death or personal injury resulting from its negligence.
