

SEAMLESS KNITTED AND COATED GLOVES

This range of products offers best fit, highest comfort and allows therefore most efficient working in general purpose applications.

DURO TASK

3142

Rough, blue, natural rubber coating in combination with a seamless cotton/polyester liner to provide excellent grip also when handling wet objects. Pre-shaped anatomical hand form for highest comfort. Used in various kinds of general purpose applications like assembly work, construction industry, warehousing, etc. The winter version of this glove the Duro Task Sub Zero is mentioned on page 25.

WITH LATEX COATING

art.no.	sizes
NF14	7S, 8M, 9L, 10XL, 11XXL
Standards	EN420, EN388
CE Category	Intermediate Design
Packaging	12 pairs per polybag, 144 pairs per case

NITRI TASK

4121

Seamless white nylon liner to provide excellent fit and comfort, coated with smooth Nitrile to give good grip and dexterity especially in dry applications. The good fit and grip allows the worker a high work efficiency, e.g. during assembly work with small parts.

WITH NITRILE COATING

art.no.	sizes
NF13	7S, 8M, 9L, 10XL, 11XXL
Standards	EN420, EN388
CE Category	Intermediate Design
Packaging	12 pairs per polybag, 144 pairs per case

ECONO TASK

3121

A price competitive glove for price sensitive users. A seamless cotton/polyester liner with latex coating for all kind of general purpose applications, where the lifetime of the glove is not very long.

WITH LATEX COATING

art.no.	sizes
NF24	8M, 9L, 10XL
Standards	EN 420, EN 388
CE Category	Intermediate design
Packaging	12 pairs per polybag, 144 pairs per case

NITRI TASK FOAM

3132

Seamless grey nylon liner to provide excellent fit and comfort, coated with textured grey Nitrile to give good grip also in oily applications. The good fit and grip allows the worker a high work efficiency e.g. handling small and oily objects.

WITH NITRILE COATING

art.no.	sizes
NFF13	7S, 8M, 9L, 10XL, 11XXL
Standards	EN 420, EN 388
CE Category	Intermediate design
Packaging	12 pairs per polybag, 144 pairs per case

LIGHT TASK

4131

Seamless Nylon liner to provide excellent fit and comfort, coated with Polyurethane for mechanical protection and grip. DMF free. This glove has the highest finger sensitivity and can therefore especially be used in applications where small objects are handled. In white for the electronics industry, in black for more dirty general purpose applications.

WITH POLYURETHANE COATING

art.no.	description	sizes
NF15	nylon liner, white	6XS, 7S, 8M, 9L, 10XL, 11XXL
NF15B	nylon liner, black	7S, 8M, 9L, 10XL, 11XXL
Standards	EN420, EN388	
CE Category	Intermediate Design	
Packaging	12 bags per polybag, 144 pairs per case	

NITRI TASK F2

3121

The most comfortable general purpose glove. It has a porous Nitril coating which allows the hand to breathe. Excellent fit and dexterity. Also good grip in light oily applications, as the surface stays drier due to the porous coating. High work efficiency in all kind of general purpose applications.

WITH NITRILE COATING

art.no.	sizes
NFF13B	6XS, 7S, 8M, 9L, 10XL, 11XXL
Standards	EN420, EN388
CE Category	Intermediate design
Packaging	12 pairs per polybag, 144 pairs per case
