

Dead Blow Nylon Hammers

Die-cast one piece head and handle of aluminium alloy. Fitted with shock absorbent rubber grip. Screw-in faces of special nylon. The hollow head is partially filled with shot which adds to the weight and prevents re-bound. Allowing heavy and effective blows with maximum impact control.

Model	Ø Of Face (mm)	(in)	Weight (gm)	Order Code	Price Each
1010	32	1¼	525	138-1112	
1212	38	1½	750	138-1113
