

D-LINE

Decorative Cable Management

Typical applications

- Wall Mount TVs
- Office Desk Legs

When concealing cables from wall mounted flat screen TVs D-Line is the ultimate solution, saving the hassle of chasing behind walls.

The semi-circle shape makes a stylish profile so D-Line 50x25mm matches both small and wider screen TVs.

The patented hinged and click-lock lid in a single piece design makes the product easy to handle and easy to later add or remove cables. Self-adhesive backing makes fitting easy, though for best results the lengths should be screw-fixed also.

Simply cut the PVC profile as required, then plug cables into Audio Visual equipment on fixture below.

Available in a choice of three colours D-Line can match popular screen trim finishes, or wall colours. D-Line can also be painted.
