

Single Eurocard (3U high)

Single Eurocards are 100 x 160 mm in size, with an extended Eurocard being 100 x 220mm deep. The prototyping boards have 5 alternative designs to make prototyping easier, Boards are also available in single sided, double sides and PTH types. The product selectors below will help to identify the most suitable type for your application.

Patterns

- Microboards
- 3 Plane High Density DIP pattern
- Veroboard strip pattern, with & without ground plane
- Veroboard strip pattern
- Square pad, with & without ground plane
