Ref: Future obsolete products

A number of older series are going obsolete and will be removed from our product line and no longer be available for sale. Effective **31<sup>st</sup> May, 2012** the **AEP10, CU15-M, PBM25, PBM65, PCM80, PCM120, PDM60 series and SDS150-M versions** will become obsolete.

The majority of these products are for medical applications and we are not updating their safety approvals to the 3<sup>rd</sup> edition standard that is required as of 1st June, 2012.

In summary, no purchase orders will be accepted after 31<sup>st</sup> May, 2012 for the above ranges. **ALL products must be shipped prior to 1<sup>st</sup> June.** To allow sufficient manufacturing lead-time all purchase orders for product not in stock must be placed prior to 1<sup>st</sup> April, 2012.

We have replacement products for most of the series going obsolete.

If you have any questions, please do not hesitate to contact me to discuss.

Best Regards

Steve Head  
Marketing Director

## X-ON Electronics

Largest Supplier of Electrical and Electronic Components
