RCA Keystone Coupler

KRCAywbk

KRCArdwh

RCA connectors, also known as "phono" or "cinch" connectors, have been used for many years to carry audio and video signals. TUK is now pleased to offer these in a range of colours and coloured identifiers in the convenient keystone format.
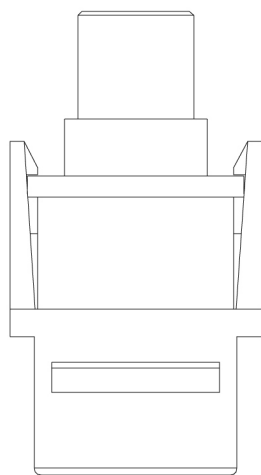

Features

- Available in white and black keystone mount to match panel or faceplate colour

- Coloured inserts (black, red, white and yellow)

- Standard format keystone fits a wide range of panels, adaptors and faceplates

- Available as part of our innovative panel mount and D UNIVERSAL ranges
