

**Crescent**<sup>®</sup>  
BRAND

# For those who have a need for speed.

The new RapidSlide™ gives you added speed and convenience,  
with Crescent® brand quality and reliability.

**COOPER** Hand Tools

# Innovation from the makers of the original Crescent® adjustable wrench.

The new Crescent® brand RapidSlide™ adjustable wrench helps get jobs done quickly and easily with just a flick of your thumb. The slide control in the handle provides smooth, fast, and accurate jaw adjustment... simply slide forward to close, back to open. The RapidSlide has a big 1" (25.4mm) jaw capacity for maximum versatility with precise laser-etched jaw-opening indicator markings for both SAE and metric-sized fasteners. Plus, it has an extra-wide handle for exceptional comfort, strength, and bolt-busting power. The new RapidSlide... from Crescent, makers of the Original Adjustable Wrench.

1-inch (25.4mm) maximum jaw capacity

Internal debris shield keeps out contaminants, assuring smooth operation

Laser-etched SAE/Metric jaw-opening indicator markings

Extra-wide handle allows you to comfortably apply more force for greater power

Slide control in handle for smooth and fast jaw adjustment

**Crescent®**  
**RAPIDSLIDE™**

- All metal components for long life
- Drop-forged construction for maximum durability
- Polished head makes cleanup easier; keeps the tool looking like new

## Traffic-stopping Merchandising

The RapidSlide™ adjustable wrench comes in a durable hanging clamshell package. Its inviting "TRY ME" design allows consumers to open and close the jaws with the unique slide mechanism, while at the same time providing the security that retailers demand.

The sturdy and attention-getting tray pack holds six clamshell packages securely and looks great from any angle. There's no setup required... just lift off the protective shipping cover and you're ready to sell!
