

Model 550 Miniature

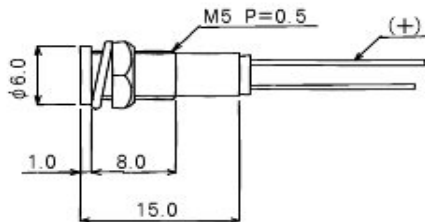

Models 550 Miniature Indicator Lights are available in a wide variety of colors with a choice of flush lens. Manufactured from high impact plastic, these indicators mount in a 5 mm hole with nut and washer supplied.

They are available in a variety of light sources including incandescent, neon or LED. Wire leads are available as an option on 2V LED and all incandescent versions. All others models are standard with an external resistor and 6 inch wire leads.

Model 550

Package Dimensions
