

IP66 General Purpose Enclosures

Technical Specification

If you require light protection against water ingress, this range could be ideal. With an IP66 seal, this range is dust proof, splash proof and protects from powerful jets of water, as per BS EN 60529:1992.

15 sizes are available, complete with silicone gaskets, captive screws, earth screws and PCB guides on selected sizes. Nine sizes are also available with flanges for easy mounting.

Deltron Enclosures can customise any enclosure in our UK factory, including machining, painting, component sourcing and installation to meet your specification, save time and cut your costs. View our Services page on our website for more information.
