Steel Storage Cabinets 250 Series

137-3325

137-3326

167-4860

A professional range of cabinets constructed from high quality enamelled steel with impact resistant, durable polypropylene drawers. The cabinets are 250mm deep with three different drawer sizes, which can be sub-divided using partitions or inserts.

- Full steel body, spot welded and enamel painted
- Stop rim ensures drawers do not fall out
- Drawers can be subdivided into smaller compartments using dividers or inserts (available separately)
- Labels protected with grime-resistant plastic (available separately)
- Rubber feet provide scratch protection and a firm standing
- Free standing or wall mountable
