

Specifications

- Suitable detector types : Most models & makes of detector
- Maximum height : Up to 30ft / 9m using Solo extension poles
- Operating features : Swing frame for difficult to access detectors
- Environment : **Operating temperature: 5°C to 45°C / 40°F to 115°F**
: **Storage Temperature: -10°C to 50°C / 15°F to 120°F**
: Humidity: 0-85% RH non-condensing

Maintenance Notes:

- ◆ Clean with warm soapy water and a soft, lint-free cloth.
- ◆ Recommended for use with Solo Aerosol

Other Products Available from your Supplier

- **SOLO 719419** Telescopic pole, extendable, non conductive for accessing detectors at height to 6m (20ft). Compatible with all other SOLO tools
- **SOLO 719420** Extension pole, non-conductive rigid pole section. For use on its own or to extend SOLO 719419. Max of 3 recommended to reach up to 9m/30ft
- **SOLO 719407** Universal detector removal / replacement tool
- **SOLO™ 424** 230-240v Heat Detector Tester
- **SOLO™ 423** 110-120v Heat Detector Tester
- **SOLO 461** Cordless CAT Heat Detector Tester
- **SOLO 610** Protective Carrying and Storage Bag
- **SOLO 719444** Aerosols for use with SOLO dispenser

Solo 719377 is optimised for performance with Solo Aerosol.
Use of alternative aerosols will invalidate the guarantee.

719377 Smoke Aerosol Dispenser

Brief Description

- Designed for smoke detector testing at varying heights
- Constructed from strong, durable, yet lightweight materials
- Can be used with either Solo Telescopic or Extension poles
- Robust design
- Light touch activation for use on false ceilings
- Can be used at any angle

Instructions for use for Solo 719377 Smoke Aerosol Dispenser

- ◆ Unscrew retainer cup and remove
- ◆ Place aerosol canister into bottom of retainer cup, nozzle upwards
- ◆ Replace retainer cup & screw upwards until aerosol canister is *just* activated by pressure
- ◆ Unscrew slightly to stop aerosol self-activation
- ◆ Insert the Solo 719377 product onto Solo Telescopic or Extension Pole
- ◆ Place Solo 719377 over detector, ensuring a seal
- ◆ Press upwards slightly to activate Solo 719377 with aerosol
- ◆ Press upwards slightly to activate Solo 719377 with aerosol
- ◆
