

# Intel® DSL6540 Thunderbolt™ 3 Controller

Specifications

Ordering and Compliance

## Ordering and spec information

### Intel® DSL6540 Thunderbolt™ 3 Controller, Dual Port, FC-CSP, Tray

Spec Code	SLL44
Ordering Code	DSL6540
Step	B1
RCP	\$8.55

## Trade compliance information

ECCN	4A994
CCATS	NA
US HTS	8542310001

## PCN/MDDS Information

### SLL44

944698	PCN   MDDS

All information provided is subject to change at any time, without notice. Intel may make changes to manufacturing life cycle, specifications, and product descriptions at any time, without notice. The information herein is provided "as-is" and Intel does not make any representations or warranties whatsoever regarding accuracy of the information, nor on the product features, availability, functionality, or compatibility of the products listed. Please contact system vendor for more information on specific products or systems.

Intel classifications are for informational purposes only and consist of Export Control Classification Numbers (ECCN) and Harmonized Tariff Schedule (HTS) numbers. Any use made of Intel classifications are without recourse to Intel and shall not be construed as a representation or warranty regarding the proper ECCN or HTS. Your company as an importer and/or exporter is responsible for determining the correct classification of your transaction.

Refer to Datasheet for formal definitions of product properties and features.

"Announced" SKUs are not yet available. Please refer to the Launch Date for market availability.

‡ This feature may not be available on all computing systems. Please check with the system vendor to determine if your system delivers this feature, or reference the system specifications (motherboard, processor, chipset, power supply, HDD, graphics controller,

memory, BIOS, drivers, virtual machine monitor-VMM, platform software, and/or operating system) for feature compatibility. Functionality, performance, and other benefits of this feature may vary depending on system configuration.

The Recommended Customer Price ("RCP") is pricing guidance for Intel products. Prices are for direct Intel customers, typically represent 1,000-unit purchase quantities, and are subject to change without notice. Taxes and shipping, etc. not included. Prices may vary for other package types and shipment quantities, and special promotional arrangements may apply. If sold in bulk, price represents individual unit. Listing of these RCP does not constitute a formal pricing offer from Intel. Please work with your appropriate Intel representative to obtain a formal price quotation.

System and Maximum TDP is based on worst case scenarios. Actual TDP may be lower if not all I/Os for chipsets are used.

Low Halogen: Applies only to brominated and chlorinated flame retardants (BFRs/CFRs) and PVC in the final product. Intel components as well as purchased components on the finished assembly meet JS-709 requirements, and the PCB / substrate meet IEC 61249-2-21 requirements. The replacement of halogenated flame retardants and/or PVC may not be better for the environment.

Supplemental Information

I/O Specifications

Package Specifications

Ordering and Compliance

Export specifications

## Essentials

Product Collection	Thunderbolt™ 3 Controllers
Code Name	Products formerly Alpine Ridge
Status	Launched
Launch Date	Q3'15
TDP	2.2 W
Recommended Customer Price	\$8.55

## Supplemental Information

Embedded Options Available	No
Datasheet	<a href="#">View now</a>

## I/O Specifications

Port Configuration	Dual
PCI Express Configurations ‡	Gen 3
Display Port	1.2

## Package Specifications

Package Size	10.7 x 10.7mm
Low Halogen Options Available	See MDDS
