Type F Male Connector

Type: Male connector 90°

with 3 rows

Termination: Solder

Number of contacts: 32, 48

Pitch: 5.08 mm x 3.81 mm

Operational current: 5.6 A

Packaging: Box

Standard: IEC 60603-2

RoHS COMPLIANT

Technical Specifications on page 36

Accessories

• Coding p. 132

Mating connector / Application:

Type F Female connector (p. 96)

Type F low profile Female connector (p. 98)
