120mm Fan Filter Media, 60ppi SC120-M60/5

This fan filter media from GardTec fits 120mm cabinet cooling fans. With 60ppi (pores per inch) media is made of heat-resistant polyurethane fibers to protect cabinet electronics from overheating damages. When dust builds up in your cabinet due to inefficient filter media, the fan can malfunction resulting in expensive cabinet damages. Sold in packs of five, this 120mm fan filter media can be purchased in bulk to receive special GardTec savings! See more durable and heat-resistant fan filter media in our cabinet cooling fan kits.

Media: Polyurethane Foam UL94HF-1
