

40mm Fan Guard, Wire SC40-W2B

<u>40mm wire fan guards</u> provide protection to cabinet cooling fans from foreign objects. These wire fan guards from GardTec ensure adequate airflow to your electronics with the open design. Mesh fan guards and perforated metal fan guards block more airflow, which may reduce the effectiveness of the cabinet cooling fan. GardTec sells a variety of wire fan guards at excellent prices.

Material: C1008 Steel

Finish: Gloss Black Electro Deposit

Ring Diameter: 1.6mm Rib Diameter: 1.6mm

X-ON Electronics

Largest Supplier of Electrical and Electronic Components
