

Ratchet Cable Cutter

Description

This ratchet action cable cutter takes all the effort out of cutting heavy duty cable. The gradual action of the ratchet means that the blade is slowly but smoothly closed on the cable, making a very neat and quick cut. The cutter is capable of cutting copper and aluminium cable up to a max. of 32mm. The manufacturer does not recommend this tool being used to cut steel or ASCR cable.

Part Number Table

Description	Part Number
Heavy Duty Ratchet Cable Cutter	D03032
