

USB 3.0 Cables Type A male to Micro B male w/ferrites length 0.5M

L-com Item #	U3A00010-05M
Manufacturer	L-com
RoHS Status	RoHS Compliant

L-com offers a wide selection of USB 3.0 cable assemblies off the shelf for same day shipping. Our USB 3.0 cable selection includes USB 3.0 male to male cable assemblies with ferrites, Type A to Type A, Type A to Type C, Type B to Micro B USB 3.0 Connectors. The addition of ferrites to the end of the cable helps to suppress any further high frequency noise.

Features:

- Transfer rates up to 4.8Gbps
- Fully shielded to provide maximum protection against EMI/RFI
- Color is blue

Applications:

- Data Storage
- Video Transfer
- Data Acquisition

X-ON Electronics

Largest Supplier of Electrical and Electronic Components
