Akro-Mils industry leading 4" tall Shelf Bins are constructed of durable industrial-grade plastic and provide a neat and attractive storage solution. The superior construction of these affordable plastic storage bins allows them to be fully loaded without bulging or cracking and multiple divider slots allow for a greater number of storage options. Akro-Mils Shelf Bins are a superior alternative to weak and flimsy cardboard bins. 12", 18" and 24" deep bins work with standard wire or steel shelving. One-piece construction is waterproof and unaffected by grease or oil. Make the most of your Shelf Bins with optional Bin Cups which subdivide bins and lift out easily for transport.

⚙️ Product Specifications

Color:	Blue Clear Green Hunter Green Red Sandstone Terra Cotta White Yellow
Inside Height:	4"
Inside Length:	10-1/4"
Inside Width:	7-1/8"
Outside Height:	4"
Outside Length:	11-5/8"
Outside Width:	8-3/8"
