Part#: 202317-0001 (KIT-INS-H2S-02)

Sensorcon Inspector: Intrinsically Safe Hydrogen Sulfide Detector, Pump Kit and Storage Case

Description: The Sensorcon Industrial Hydrogen Sulfide inspector is certified Intrinsically Safe to UL913 for Class I and II explosive hazardous environments.

The complete analyzer kit includes the Hydrogen Sulfide Inspector Industrial, a high quality certified intrinsically safe portable H2S detector. This device is best for Industrial oil and gas as well as waste water treatment applications.

This kit includes The Sensorcon Storage Case, a durable solution for transporting and protecting all of your Sensorcon products. The storage case features a soft foam interior and an exterior safety lock to keep your products secure. The Sensorcon Storage Case has enough room to house a complete kit. This includes your Sensorcon Inspector and your hand pump assembly.

Also included in this kit is The Sensorcon Hydrogen Sulfide (H2S) Inspector Hand Pump Assembly. This accessory easily attaches to your Sensorcon Hydrogen Sulfide (H2S) Detector. It will allow you to draw an air sample from hard to reach areas as well as areas that require more precision.

Please Note: When using your Sensorcon Accessory Kit to take samples, please be sure to pump every 1 to 2 seconds over a 15 to 20 second period. This will provide a sufficient air sample to the sensor.

All of our products are designed and manufactured in the USA

Technical Specifications:

- Resolution: 1ppm
- Range: 0-400ppm
- Accuracy: +/- 10% of reading or +/- 1ppm (whichever is higher)
- Size: ~3.2″ x 2.2″ x 0.9″
- Battery Life: >2 years (without alarms on)
- Battery Type: CR123A (Panasonic CR123A required for Industrial version)
- Alarm set points: 10 ppm low, 15 ppm high
- Alarm types: Visual LCD/LED, Audible Buzzer (80-85dB), and Vibrate Mode (vibrate in Industrial models only)
- Temperature Range: -4 to +122 °F (-20 to +50 °C)
- Humidity Range: 20%-90% RH continuous (0-99% intermittent, e.g.
- Sensor Type: amperometric type electrochemical sensor
- Ingress Rating: IP 67 (completely dust proof & water proof)
- Steel alligator clip with lanyard loop
- Unit Weight 4 ounces
