

60 PC IMPACT SET SHOCKWAVE

48-32-4029

Milwaukee Shockwave Impact Duty driver bits are engineered to be the most durable, best fitting driver bits on the market. The optimized Shock Zone geometry is unique for each tip type to provide up to 30X longer life and absorb 3X more torque versus other impact bits. Shockwave driver bits are built to deliver extreme durability for the most demanding applications. Shockwave Impact Duty driver bits can be used in impact drivers or drill drivers.

- Optimized shock zone geometry absorbs peak torque and prevents breaking
