

1550/6 ESD Screwdriver set and rack for electronic applications, 9 pieces
Screwdriver set for electronic applications

EAN	4013288194787	Dimension:	250x205x50 mm
Code:	05030180001	Weight:	
Article-No.		Country of origin:	CZ
		Customs tariff no.:	82054000

- ESD-safe tool thanks to surface resistance of $< 10^9$ Ohm
- The fast-turning zone just below the rotating cap allows rapid twisting.
- The Wera Black Point tip offers an exact fit and optimum corrosion protection
- Multi-component Kraftform Micro handles for fast and ergonomic screwdriving
- Includes practical rack for tidy storage of the screwdrivers

ESD-safe Wera Micro screwdriver set. Dependable protection against electrostatic energy and associated damage. Rapid twisting results from fixing the hand on the head and using the fast-turning zone just below. This makes time-consuming grip adjustments unnecessary. Power zones with integrated soft sections ensure the transfer of high loosening and tightening torque; a precision zone for the right rotation angle during fine adjustment work. The Black Point tip offers optimised corrosion protection and an exact fit.
