RhinoPRO™ 5000

The Best Choice for Professional, Industrial labelling!

The **RhinoPRO 5000** is an easy to use, affordable, rugged industrial label printer that uses durable labels that stick and stay stuck. It's specifically designed to quickly and easily label cables, patch panels, racks, infrastructure equipment, fuse boxes or anything else that needs labelling around your job site or facility.

Features and Benefits:

- Simple one-touch "Hot Keys" for popular formats and functions:

  - **WRAP**: simply enter the diameter of your cable to create wraps

  - **PPANEL**: creates perfect patch panel labels for one port, forty eight ports or a whole rack

  - **MODULE**: creates one label that fits exactly with the total number of modular components on a DIN rail

  - **FIXED**: creates fixed length labels for face plates, ...

- Extra large backlit display for use in low light conditions.

- Easy to see, bright colour ensures it won't get lost.

- Durable rubber bumper provides extra protection.

- Includes commonly used datacom and electrical symbols: ohm, ground, phone, data, fax, and also prints barcodes 39 and 128.
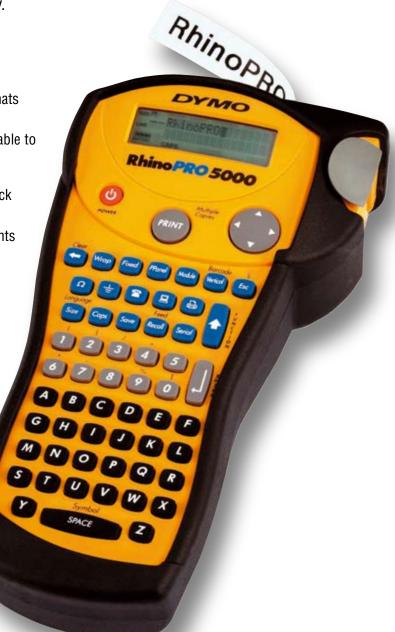

- Built-in battery life indicator and auto-shut off so you don't run out of power on the job.

- Separate Save and Recall keys for quick access to label memory.

- Multiple line printing and serialisation. Fits easily in the palm of your hand for labelling on the job.

- Easy to load "all-in-one" RhinoPRO cartridges.

- Prints on 6mm, 9mm, 12mm, 19mm RhinoPRO tapes

RhinoPRO™ 5000

Applications all around your job site…

Labelling with "Hot Keys":

- Cable/Wire Wrapping
- Patch Panels
- Fixed Length labels
- Vertical labels
- Modules
- And lots more …

Patch Panels

Fixed Length Labels   *Vertical Labels*

RhinoPRO Labels:

- Thermal transfer print technology is durable, smearproof and resists chemicals, solvents, grease, heat, moisture and other harsh elements.

- Permanent adhesive results in labels that stick and last in harsh industrial environments.

- Easy-to-peel labels, available in split-back and dry-edge varieties.

Insert	Yellow Non-Adhesive Tag	18115	18116	18117	18118	5,5 m

Product Specifications:

- Codenumber: 16903
- Includes : RhinoPRO 5000, rubber bumper, 19mm white flexible nylon tape
- Works with 6 AA batteries (not included)
- Dimensions (excl. protective bumper) : 212mm H x 114mm W x 70 mm L
- Weight: 519 gr

Options:

- Hard carrying case
- Soft carrying holster
- Rechargeable batterypack
- Adapter
