Standard color natural. Consult Heyco for black and other colors.

- A low cost replacement for screws and rivets.
- Snap into round mounting holes.
- Fasten securely into a variety of materials.
- Ideal for assembling lightweight panels and components.

Standard color natural. Consult Heyco for black and other colors.

- **Holster shaped interior** allows the part to collapse more completely, for assembly with just fingertip pressure.
- Tapered, bullet-style point slides easily into any mounting hole.
- Angled panel locking section takes up slack to provide for a tight assembly.
- The design allows for a relatively large clip-diameter-to-hole-size ratio, resulting in higher retention force.
- Consult Heyco for other mounting hole and panel thickness variations.

Quick Specs

Material: Nylon 6/6
 Flammability Rating: 94V-2
 Temperature Range: 32°F (0°C) to 185°F (85°C)
