

Holding and Fastening Products

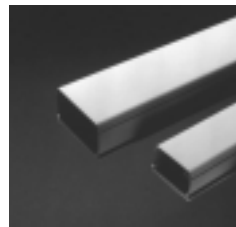

Communications Duct

Communications Duct is the ideal solution when cable or wires cannot be installed within the wall. Duct is available in six sizes. A co-extruded hinge allows access to wire and cable without stress cracking or discoloration. Five colors—NEMA ivory, brown, ash, gray and white—blend discreetly with today's office environment and custom colors are available for volume purchase.

Other features include:

- Positive latching for easier, more secure installation of wires
- Ultra-strong foam-backed adhesive mounts quickly, even on masonry walls
- Modern symmetrical design means fewer components; hides latch from sight
- One-piece design for easier installation
- Constructed of UL-listed PVC
- Wider base for greater adhesive strength and longer product life; base conforms to accessories for a more uniform appearance

For sizes, color options, and ordering information, see chart on page 203.

325

Communication Duct Accessories

Communications Duct Accessories are available in corresponding sizes and colors for each of the three duct sizes. Accessories include joint covers, outside corners, inside corners, tees, end caps, elbows and reducers.

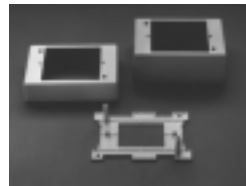

326

Surface Mount Kits

Two sizes of junction boxes—High Profile and Low Profile—facilitate various outlet installations and provide easy access to wires and splice points. Available in all five standard colors.

Size: High Profile- 50 mm (2.0") H x 122.6 mm (4.83") W x 92 mm (3.625") D

Size: Low Profile- 25.3 mm (1.0") H x 122.6 mm (4.83") W x 92 mm (3.625") D

790 Cable Tie and Base Assembly

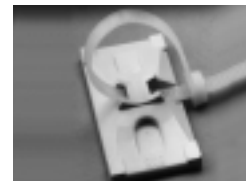

For securing cable and cable bundles to a surface, the self-locking cable tie can be removed and replaced with another 760 Cable Tie when desired. For cable or bundles with maximum O.D. of 45 mm (1-3/4").

Adhesive-backed base has knock-out holes for screws.

Base color: Ivory. Ties: Clear.

Size: Base, 25 mm x 50 mm (1" x 2").

Tie length: 182 mm (7.18").

328

792 Cable Tie and Base Assembly

For securing cable bundles of 125 mm (1") or less. Base color: Ivory. Ties: Clear.

Size: 25 mm x 25 mm (1" x 1")

Tie length: 182 mm (7.18").

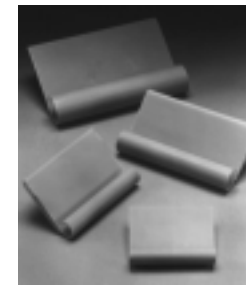

329

Cable Clips

Clips are made of vinyl with foam adhesive backing. They may be mounted on most clean, dry surfaces without drilling.

- Fit cables from 3.18 mm (1/8") to 12.7 mm (1/2")
- Low profile
- Eliminate drilling and nailing
- Use for internal equipment wiring and around desks, furniture and machines
- Wire can be removed without removing clip
- Clips made of flame retardant material (Oxygen index > 28)

330

Cable Ties

Self-locking, clear plastic ties are used to bundle and secure conductors or cable.

Cable Ties and Bases

Cable Ties and Tie-Base Assemblies are available in various sizes for securing cable and cable bundles to a surface. Bases are adhesive-backed, with screw mounting provisions.

- All-nylon ties
- ABS base
- Flame retardant
- Fungus insert
- Solvent resistant
- Service temperature range -40° to 85°C (-40° to 185°F)
