## Crimping Pliers with quick changer magazine

The all-rounder  
for 5 interchangeable  
crimping dies

- ▶ **One** tool for the most common crimping applications
- ▶ quick and easy exchange of the crimping dies without any additional tool
- ▶ lightweight high-quality crimping pliers for the mobile professional user

**KNIPEX** Quality – Made in Germany

# KNIPEX-MultiCrimp

## Crimping Pliers with quick changer magazine

Round magazine with belt clip: interchangeable dies are always ready to hand

The electrician travelling in mobile services needs at least 3 different crimping pliers to be prepared for crimping of the most common standard connectors. The new MultiCrimp system now offers the compact solution for the professional user: a set of optionally 3 or 5 interchangeable crimping dies in a quick changer magazine for the most common applications on the spot.

Change of crimping dies without any additional tool

**97 33 01**  
crimping pliers with round magazine and 3 interchangeable dies for non-insulated open plug-type connectors; insulated terminals + plug connectors; end sleeves (ferrules)

**97 33 02**  
crimping pliers with round magazine and 5 interchangeable dies for non-insulated open plug-type connectors; insulated terminals + plug connectors; end sleeves (ferrules); non-insulated terminals + plug connectors; non-insulated butt connectors

Secure attachment of the dies in the pliers by reliable locking system

Catch for exchange of crimping dies

Crimping dies are marked with a pictogram: visible in the magazine and the pliers

- ▶ set composed of pliers and quick changer magazine for current crimping applications
- ▶ very easy and quick change of crimping dies without any additional tool
- ▶ secure and dirt-proof storage of the interchangeable crimping dies in a round magazine
- ▶ repetitive, high crimping quality due to precision profiles and integral lock with very fine adjustment (self-releasing mechanism)
- ▶ these tools have been set precisely (calibrated) in the factory
- ▶ ergonomically shaped two-colour dual component handles for one and two-hand operation
