### WAGO T Marker Tag

The T marker tag can be used with:

- series 264 modular terminal blocks and terminal strips and
- series 269 sensor and actuator terminal blocks for base modules

**6 characters per marker**  
The new T marker tag fulfills the customer request for larger marking areas for series 264 terminal strips.  
The T marker can be marked with up to 6 characters per marker and is snapped into the miniature WSB marker receptacle.  
Terminal strips in any combination of 2- and 4-conductor terminal blocks can be marked without difficulty by stretching the tag.

30 markers per tag, suitable for terminal block widths from 5 mm/0.197 in to 6 mm/0.236 in, Each marker can be marked with up to 6 characters plain **209-290**

Pre-printed markers on request
