

Series 803 Mighty Mouse ¼ Turn Bayonet Coupling PCB Connector Ordering Information

803-005, 803-015

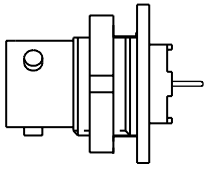

Series 803 Printed Circuit Board Receptacle

Printed Circuit Board/Solder Cup Receptacles feature low profile shells for minimum protrusion inside enclosures and integral standoffs for board washout. Contacts are non-removable.

Water Immersion, Unmated

Specify **803-005** connectors for applications where open face water immersion is not a requirement. For MIL-STD-810 Method 512G immersion requirements, specify **803-015** watertight connectors. These 803-015 connectors are specially sealed ("MOD-518") and are 100% tested to maintain a helium leak rate of 1×10^{-4} cc/second at one atmosphere pressure differential from -40C to +70C. **NOTE: mated connectors are not submersible.**

HOW TO ORDER SERIES 803 PRINTED CIRCUIT BOARD RECEPTACLES

Sample Part Number
