

General Information

Kit Part Number:	2110844-3
Description:	10 AWG Female Minus Keyed Coupler and Male Neutral Keyed Coupler with Ground Clip and Locking Collar Connector Accessory and Crimp Tool
Industry:	Alternative Energy
Application:	Approved for field termination, Connectivity Systems for PV Installers, Keyed Housing Provide Mating and System Safety, PV Cable, Solar
Family:	SOLARLOK
TE Brand:	TYCO ELECTRONICS Products
Solution:	Solar Energy
Product Type:	Wire-to-Wire Connectors
Number of Pieces:	74
RoHS:	Yes

Specifications

Contacts:	Fully Shrouded High Cycle Life
Current Rating:	25A
Tool Included:	Yes
Voltage Rating:	600V
Wire Gauge (AWG):	10

Product Highlights

The SOLARLOK male and female cable coupler was designed for high voltage and high current-carrying capacity in addition to the well established IP 67 sealing requirement in the photovoltaic industry. Mating safety is provided by polarity keyed housings, fully shrouded high cycle life contacts and a squeeze to release connection system. In addition fulfillment of worldwide standards for photovoltaic connection systems complement the robust product specification.

Features and Benefits

- Grounding Clip
- Designed with a simple wire crimp, these latching connectors accommodate a wide range of wire sizes for a low applied cost
- Polarity keyed housing helps to prevent mismatching
- UL approved
- The SOLARLOK hand crimping tool contains precision dies and ratcheting handles to help ensure repeatable crimp performance
- The SOLARLOK locking collar is required by NEC 2008, Article 690.33(c). A small flathead screwdriver is used to remove the collar from the mated connectors to achieve the required tooled extraction
- Current carrying capacity up to 25 Amps
- Operating temperature range of -40°C to 110°C
- UL and TÜV approved - UL File E 226440/TÜV 0000021303

Applications

- Approved for field termination
- Keyed housings provide mating and system safety
- Housing is rated for 50 mating cycles
- Accommodates 10 AWG PV cable

SOLARLOK Photovoltaic Balance of System Products Connector Kit

10 AWG Female Minus Keyed Coupler and Male Neutral Keyed Coupler with Ground Clip and Locking Collar Connector Accessory and Crimp Tool

- NEC 2008 Compliant
- Photovoltaic Module Installations
- IP 67 Sealing
- Fully Shrouded Silver Plated Contacts
- 25 Amps, 600 Volts

Additional kits available at: www.productkits.com
