

## Adapter

Model: **AK-ND-C05**

Product code	AK-ND-C05
Product type	Adapter
Output voltage	18.5 - 20 V
Output amperage	max. 5 A
Maximum power	100 W
The cable plug #1	USB type C
The cable plug #2	3.5 x 1.3 mm
Product size (L x W x H)	38 x 24 x 10 mm
Package size (L x W x H)	97 x 70 x 11 mm
Net weight	5 g
Gross weight	7 g
EAN code	5901720138187
Warranty	24 months
Pin Length	12 mm

## Description

The **Akyga® AK-ND-C05 adapter** enables you to replace a standard **USB-C connector** with a **3.5x1.3 mm plug**. USB type C is one of the most widely used standard in electronic equipment. This modern solution is used on many areas, but often, we have older equipment with a different power socket. This is when a charging adapter proves indispensable. Thanks to it, we can easily connect the universal USB-C PD charger to our laptop. What is more, the adapter is compatible with the **Power Delivery standard**, which means that your device is completely safe. This is all thanks to the automatic selection of current and voltage levels to suit the requirements of your laptop. Thanks to this, the output of the adapter's tip will be between **18.5 and 20 V**.

**It is worth remembering that the USB-C adapter does not increase the power of the charger it is used with. Therefore, before using it, make sure that the power adapter has enough power to power our device.**
