Adapter
Model: **AK-ND-C14**

3

Product code	AK-ND-C14
Product type	Adapter
Output voltage	18.5 - 20 V
Output amperage	max. 5 A
Maximum power	100 W
The cable plug #1	USB type C
The cable plug #2	6.5 x 4.4 mm + pin
Product size (L x W x H)	38 x 24 x 10 mm
Package size (L x W x H)	97 x 70 x 11 mm
Net weight	6 g
Gross weight	8 g
EAN code	5901720138279
Warranty	24 months
Pin Length	12 mm

Desctription

Akyga® AK-ND-C14 USB-C adapter as a helpful device for people who use older **Sony Vaio** laptops. The adapter allows you to replace the **USB-C connector** on your power supply with one **6.5x4.4 mm plug**, making it possible to adapt almost any charger with a higher-power USB-C PD to your laptop. The adapter is universal and supports the **Power Delivery standard**, which means that the power supply voltage is automatically selected between 18.5 and 20 V, and the user does not have to worry about compatibility. What's more, the adapter is easy to use - just plug the connector into the power supply and you can start using it. This makes it easy for users to adapt their devices to newer USB-C standards.
However, it is important to note that the **USB-C adapter does not increase the power** of the power supply, but only allows it to be connected to a laptop or other device with a 6.5x4.4mm connector. Therefore, before using the adapter, make sure that the power supply has sufficient power that you expect.
It is worth remembering that the USB-C adapter does not increase the power of the charger it is used with. Therefore, before using it, make sure that the power adapter has enough power to power our device.
