1. Product Introduction

Apacer AH333 flash drive employs a pebble-like rounded contour which creates perfectly firm and comfortable hold. A unique sense of design is shown in the two colors available: chic ivory white and mysterious black, with an arc stripe in ruby red. In addition to its compact size for portability, its maximum capacity can reach up to 64GB, realizing portable bulk storage. Round and firm, stylish and gracious and embodying a sense of generosity, AH333 certainly is the most perfect digital partner!

AH333 flash drive features comfortable touch for its unique rounded appearance and pebble-like contour, drawing people to play around. In addition, its compact size makes itself as portable as a truthful digital partner. The stylish simple body, either in ivory white or mysterious black, is capped with a unique arc strip in ruby red, radiating elegance in its low profile!

AH333 not only features perfect hand-feel with its rounded appearance, but demonstrates Apacer's consistent focus on thoughtful and intricate design. Its compact body gives the user a firm grip with perfect hand-feel and makes it easier for plugging/unplugging. The hidden built-in strap hole at the rear allows users to freely attach individual straps showing their personal style!
2. Features

- Hi-speed USB 2.0 interface and backward compatible with USB1.1

- Easy plug & play

- USB powered. No external power or battery required

- Strap hole for easy carry

- RoHS compliant
