E	Dimensional & Ordering Information																																																										
	poles	2-24 poles																																																									
	Pitch between ploes	4.20mm																																																									
	Rated Voltage	300V AC,DC																																																									
	Rated current	9.0A																																																									
	Withstand Voltage	1500V.AC/minute																																																									
	Insulation Resistance	≥1000MΩ																																																									
	Temperaure Range	-25℃~+85℃																																																									
	Applicable Wire	AWG#28~#20
