

Dear Valued Distributors,

Product Change Notice

A change has been made to the housing of our 4400 series fans. This affects all 4400 series fans except for encapsulated versions (any fans with a "U" in the part number) or fans in the 4400E series. Those fans will remain unchanged as they have different housings than our standard 4400 series.

Reason for change

Continuous product improvement

Description

Flange area modified to be completely closed

Effect

Reduced area for ingress of dust as well as complete coverage of the PCB

Attachments

- "PCN, 4400 Series Housing, Affected Parts.xlsx" – Listing of part numbers affected

This is a running change, so the new and improved design will ship as stock of the current design depletes. Please note that depending on stock levels, you may receive a mixed shipment of both the current and new designs.

Please let me know if you have questions, or if you need any further information.

Thank you,

Jeannine
