**Easy cover assembly**

Thanks to the use of a semi-circular cover slot, the installation is trouble-free, and disassembly does not damage the cover

**Easy cover assembly**

Thanks to the use of a semi-circular cover slot, the installation is trouble-free, and disassembly does not damage the cover

**Paint**

In addition to anodized profiles (silver, inox stainless steel, black), in the case of wholesale orders, it is possible to order powder coated profiles in any color from the RAL palette.

**Even more light**

The innovative method for cover assembly we have developed ensures maximum use of the space inside the profile. Thanks to this, we have minimized the diffraction phenomenon, leaving much more space for light.
