

PRODUCT INFORMATION SHEET

15 Piece Open-ended Spanner Set

Product description

Tool cabinet insert containing spanners used to loosen and tighten nuts and bolts of different shapes and sizes.

Charakteristics

- spanners made of high-grade chrome-vanadium alloy steel;
- press-formed panel provides greater resistance;
- chrome-plated surface with a matt finish effectively protects against rust, while making it easier to keep spanners clean;
- manufactured in accordance with European standard DIN 3110;
- the 15° offset end of the spanner makes work in hard-to-reach places much easier;
- hard and flexible technical foam.
