

## PCRS\_LCMX\_LCMX\_O321T\_XX.X\_MM

### Description

Duplex patch cord, LC uniboot push-pull XD to LC uniboot push-pull XD, MM, duplex round 2.1mm\_XX.X\_turquoise, OM3 BendOptimized

| Features  | Features |
|---|----------|
| - High mechanical stability                                     |          |
| - Colour coded boot for good visibility also in mated condition |          |

### Technical Data

#### General Data

| Description               | Values                                 |
|---------------------------|--|
| General Typ               | Duplex LC patch cord                   |
| Operation temperature     | -25 up to 70°C                         |
| Polarity                  | A-B / B-A straight polarity (standard) |
| UL Rating                 | UL 94 V-0                              |
| RoHS compliant 2001/65/EU | Yes                                    |
| REACH compliant           | Yes                                    |

#### Connector left

| Description                     | Values                     |
|---------------------------------|----------------------------|
| Connector typ                   | LC-XD duplex Uniboot       |
| Polish                          | UPC                        |
| Color Housing                   | Black                      |
| Color Clip                      | Aqua                       |
| Color Boot                      | Black                      |
| Design connector acc. To        | IEC 61754-20, TIA 604-10-A |
| Performance class H+S           | M                          |
| Insertion loss 97% dB / mean dB | 0.25 / 0.12                |
| Return Loss                     | 35                         |
| Durability                      | 1000                       |
| Tensile load                    | 70 N                       |
| Tensile load acc. To GR-326-COR | Fullfilled                 |

#### Connector right

| Description                     | Values                     |
|---------------------------------|----------------------------|
| Connector typ                   | LC-XD duplex Uniboot       |
| Polish                          | UPC                        |
| Color Housing                   | Black                      |
| Color Clip                      | Aqua                       |
| Color Boot                      | Black                      |
| Design connector acc. To        | IEC 61754-20, TIA 604-10-A |
| Performance class H+S           | M                          |
| Insertion loss 97% dB / mean dB | 0.25 / 0.12                |
| Return Loss                     | 35                         |
| Durability                      | 1000                       |
| Tensile load                    | 70 N                       |

## PCRS\_LCMX\_LCMX\_O321T\_XX.X\_MM

Tensile load acc. To GR-326-COR

Fulfilled

### Cable

| Description           | Values                                |
|-----------------------|---------------------------------------|
| Cable typ             | Riser Cable                           |
| Fiber count           | 2                                     |
| Fiber                 | 2 x 0.6 mm                            |
| Fiber typ             | G50/125-OM3 BendOptimized             |
| Outer diameter        | 2.1 mm                                |
| Outer jacket material | Jacket material according to UL 94V-0 |
