

## Kingston Flash Cards

### Photo/Video (SD Cards)

From everyday use to professional photo or video, these cards deliver exceptional speeds, huge capacities and legendary Kingston reliability.

### Mobile Devices (microSD)

Reliable photo and video storage for phones, tablets, PDAs and more. Available in a full range of sizes and speeds with accessories to suit your needs.

### High-End Photo (CompactFlash)

Designed and custom-tailored for photo and video professionals with the highest demands for speed, capacity, performance and reliability.

### Card Readers

Kingston Card Readers quickly transfer all your data – photos, videos, music, etc. – so you can wait less and do more. They support a wide variety of formats, including microSD, microSDHC, SD, SDHC, SDXC and CompactFlash.
