

Standard Cable Cutter, 25-Inch

Klein Tools Standard Cable Cutters are lightweight, yet efficient. They feature replaceable hook-jaw blades that grab and hold cable while the shear-cutting action makes clean cuts. The jaws are made of forged tool steel with a black-oxide finish for long life. The exceptionally strong fiberglass handles have heavy vinyl grips for added comfort and slip resistance.

Specifications

Type:	Cable Cutter	Soft Cable Maximum Capacity:	1-3/8" (3.5 cm) Diameter
